Dear Montessori Plus School Inquirer,

Thank you for inquiring how Montessori Plus School can help meet the needs of your young child.

Montessori Plus School allows children the freedom to learn and develop at their own individual pace in a stimulating yet homelike environment. The children's ages in each class range from 2½ to 6 years. (We also offer a toddler program at our East Hill location for children ages 18 months to 3 years.) Certified Montessori teachers direct each classroom with the assistance of Montessori interning teachers.

If you would like to learn more about Montessori, we recommend any of the following books:

Lillard, Paula Polk

Montessori, Maria

Montessori, Maria

Montessori, A Modern Approach

The Absorbent Mind

The Secret of Childhood

Our locations & hours of operation:

23807 98th Ave. S.

8:00 am – 3:30 pm

Kent (Downtown)

318 3rd St.

7:00 am – 6:00 pm

Summer 6-Week Session (East Hill location only): July 1st – August 10th, 2007

Appointments are necessary to observe the classroom at either of our two locations: adults only at 9:15 a.m. or parent with child at 11:30 a.m. Please call (253) 859-2262 for an appointment.

When you are ready to enroll your child, please complete the enrollment form and mail or deliver it to 23807 98th Ave. S. Kent, WA 98031 accompanied by your annual enrollment fees. These fees will hold your child's place in the class of your choice. Step two is to make an appointment to bring your child for a visit, at which time you may pay ½ of the tenth tuition payment, give your child's teacher two wallet size photos of your child and pick up packet "2" of your child's forms. We need at least one week to prepare for your child before he/she begins class.

We are looking forward to meeting you and your child in the near future. If you have any questions about the enclosed literature or about our program, please give us a call.

Sincerely,

Sharlet J. McClurkin, Director
